MAYOR AND BOARD OF ALDERMEN

REGULAR MEETING MINUTES

May 22, 2007

The Regular Meeting of the Mayor and Board of Aldermen was held in council chambers, 37 N. Sussex Street, Dover, New Jersey.

The meeting was called to order by Mayor Dodd at 7:31 pm

ROLL CALL

Present: Aldermen Fahy, Delaney, Poolas, Ryan, Visioli, Donofrio, Picciallo and Mayor Dodd

Absent: Alderman Timpani

Also present were Administrator Garvin, Attorney Pennella and Clerk Verga

Clerk Verga stated adequate notice was given to the official newspaper.

Mayor Dodd opened this portion of the meeting to the public for agenda items only.

Seeing no hands and hearing no voices, this portion of the meeting was closed by Mayor Dodd.

Administrator Garvin's Report – There has been a request for the fence around Crescent Field to be expedited and Ms. Garvin is happy to announce that the fencing will be installed & completed by the 30th of May. The code enforcement vehicle that was formally assigned to the Fire Prevention Dept. should be complete by the end of this month and ready for activity on the roads for inspections. Currently, the inspectors use their own personal vehicle for work related responsibility. The vehicle will be assigned to the department head and then assigned out as needed. Mr. John J. Rich purchased the flowers in main entrance of Town Hall with the assistance of Mr. Poolas. The flowers will be maintained by the Jesus & Alvaro, custodians of the building maintenance crew. A schedule for the sidewalk sweeper is being created to insure that the sidewalks are cleaned every other day in the downtown area with the assistance of the DPW Department. SLAP workers are still currently working and there's an assignment through the Mayor for tree boxes to be installed and mulched so that debris does not clutter around the tree roots. Administrator participated in a seminar in Human Trafficking & Quality of Life Investigations through the Prosecutors' Office. This has been an issue for the Town of Dover especially since the Prosecutor's Office is involved in three cases where activities of human trafficking have occurred. These activities consist of illegal alien being brought into the country to work in sweatshops, massage parlors, etc. The basic premise behind the seminar dealt with partnership between the law enforcement entity, police departments and that of code enforcements, health department, and construction office because those are the departments that enter into people's homes and businesses on a regular basis. These departments will be able to identify activities and through those various communications between the departments can alleviate a lot of the social ills. The Facility Use Application is under review, the committee met yesterday to review those findings and the recreation commission is scheduled to act upon those findings for application fees associated with the turf as well as surrounding field at the next meeting. Also, the Town of Dover was able to qualify for the Summer Food Program administered through the U.S. Dept. of Agriculture. This program is for any child that is registered for the summer camp to receive a free lunch. This is a balanced lunch which follows the U.S. Dept of Agriculture guidelines. The children that cannot pay for the summer lunch but would like to participate in the summer food program can sign up with the recreation dept. Sign-up will help us keep track of the amount of kids that we will be feeding on a regular basis. This is a 100% reimbursement program and it does reimburse 23 cents per meal for administrative cost, supervision of the program.

Mayor Dodd's Report – We had a meeting with our Attorney and Joe Marazitti who represented us with the Bassett Hwy. project to discuss negotiations entering into the developer's agreement for Bassett Hwy. basically to establish our foundations to go into negotiations. There will be a committee meeting tomorrow night to bring that information to the committee. Mayor Dodd will keep the public informed as that project moves forward. Mayor Dodd also attended a meeting with the Administrator and our professionals including our municipal attorney Dave Pennella regarding the Hilton Hotel project. We hope to have a developer's agreement to present at the next town meeting. Once we present the developer's agreement the hotel will hopefully start in June. We had a meeting regarding the Crescent Field Use Application to determine fees and restructuring of the application for the recreation commission. There's a half a million dollar investment on Crescent Field and we need to protect the field. We recognize there's a shortage of fields even with the new field to the general public because that field is contained to permit use only. It's unfortunate but were looking into different options to present an area where the public can play soccer. Mayor Dodd met with the Engineering Dept. regarding the taxi stand issue in the downtown area. We have an ordinance that will be tabled again tonight. We're waiting for a response from the Engineering Dept. for location and cooperation with the Police Dept. for taxi stands. We have taxi stands in front of the Dover Taxi which are being discussed and hopefully resolved at the next meeting. Mayor Dodd attended the Fire Memorial Service in memory of Bob Woodhull who was an active member of the Fire Dept. Also, met with Reverend Martinez and it was a productive meeting and hope to have some information in the very near future.

TOWN OF DOVER

MAYOR AND BOARD OF ALDERMEN

ALDERMEN/COMMITTEE REPORTS –

Alderman Fahy – Attended the Historical Society Fundraiser which had a great turnout from Dover residents as well as residents from out of town. He also attended the Fire Dept. Memorial Service and enough can't be said for all the hours that the volunteers give to the much needed service to keep our residents safe. Also, attended the field usage committee meeting and we're looking forward to updating the forms. Attended the personnel meeting and there were many recommendations made by the administrator which were proposing to move forward with.

Alderman Picciallo – He attended the Memorial Association meeting to discuss the parade, worked at the concession stand at the Uncle Floyd show. He also attended the memorial service and visited Millpond Towers. Alderman Picciallo worked with Costco to put together an autograph sale for the Children's Miracle Network. Certain topics will be discussed tonight about the personnel meeting that was attended. The library is coming together with the help of the Mayor Assistance Program. He advised the Administrator about speeding on Sussex Street and requested police presence. The Fishing Derby will be held on June 2nd.

Alderman Poolas – Alderman Poolas has been working on the Memorial Day Parade which will take place on May 28th and reported on their efforts. North Dover Band Concert was attended by Alderman Poolas. Several meetings were attended that included the personnel, redevelopment & recreation meetings. Dover High School football team will have their first female player.

Alderman Ryan – The next police negotiation with the PBA is schedule for May 29th. There are residents' concerns regarding after-hour activity at the parks and would like to request police presence there.

Alderman Donofrio – Alderman Donofrio attended a meeting relating to the highlands commission put on by the Highland Coalition for Responsible Planning. The Board of Health meeting was also attended and would to give high regards to the Administrator for the Summer Food Program.

Alderman Timpani – Absent

Alderman Delaney – Memorial Association is moving forward with its parade. Alderman Picciallo and Alderman Delaney worked at the Uncle Floyd show which was great. He would like to thank the Chief for the invitation to the Memorial Service. He would like to extend his congratulations to Blair Laurie & Nick Clipertin who was selected to be awarded the Rotary Youth Leadership Awards. They will be performing their internship at Drew University. He would also like to congratulate North Dover's fifth grade student government student. They performed a school wide fund drive and the outcome was fantastic. The food was donated to the Morris County Emergency Food Pantry.

Alderman Visioli – The replacement of the South Salem Bridge is due to start on or about July 2. Reported on the fire dept. & EMT and the amount of calls placed which have remained about the same. The Water Commission and DPW continue with discussions on their merge. Also, requested police presence in parks.

Attorney Pennella's Report – Ms. Garvin has made arrangements for an interim tax assessor to deal with tax appeals. Lawsuit is filed with DGR.

PUBLIC COMMENTS

Debbie Mantini-305 E. McFarland Street-Also attended the memorial service for Bob Woodhull but wishes more people knew about the memorial service. Eugenio “Hammer” Matos has been a friend to the Town of Dover and hopes he doesn’t have to obtain an attorney.

Maria Tambini-10 E. Blackwell Street-Ms. Tambini commented on the Flea Market and allowing dogs at their location which she believes shouldn’t be allowed due to the danger. Garbage produced from the flea market is also a problem

Bill Hann-90 E. Munson: Mr. is also concern with the dogs at the flea market, the leashes on the dogs. There are three vendors selling knock-off “Coach” purses it’s illegal to sell.

Pastor Daniel Martinez-United Methodist Church-Dover: Would like to thank the Mayor for the opportunity to meet with him. He has received many concerns from members and residents. He believes the law should be enforced but the way the law is being enforced now is a concern. Police officers should not chase teenagers and have their items thrown off the field; the way it was handled inappropriate. Inspectors are entering the homes without permission, taxi cab drivers from outside companies are upset because when they enter the town they are pulled over, ticketed and they request passengers to be let off.

Joe Szabo-305 E. McFarland Street- Are customers being removed from the taxis, is that legal or illegal? The public should be notified when volunteers (Fire Dept.) are recognized so that we can honor them.

Mike Cicchetti-130 So. Salem Street-Stacking needs to be enforced because smoke detectors save lives. How many 2-bedroom units are going to be built in the redevelopment project? That’s a concern that should be looked into. Goodale Avenue was paved last year but it looks washed out. Penn Avenue pavement has patches everywhere.

Motion made by Mayor Dodd to adjourn at 8:27 p.m., Seconded by Alderman Donofrio and passed by the following voice vote.

Ayes: Aldermen Fahy, Delaney, Poolas, Ryan, Visioli, Donofrio, Picciallo and Mayor Dodd
Nays: None **Absent: Alderman Timpani** **Abstained: None**

Respectfully submitted,

Margaret J. Verga
Municipal Clerk
