Administrator Garvin's Report – Ms. Garvin was scheduled to meet with Revered Martinez to review his concerns with the administration however a follow up meeting has been rescheduled. The administration has been involved in several committee meetings including police committee, negotiation, personnel, finance, and recreation. The administration has fifty slow down signs which will be provided to the board members to distribute to residents in their wards. Additional signs will be available for pick-up to the public on a first come basis. The sign machine and materials have been received and around town hall all parking signs have been installed. The sign replacement program will be implemented shortly to replace missing street signs around the town. Ms. Garvin had one request for consideration on the personnel action; if her recommendation be approved she requested an official ceremony for the police department promotions.

Mayor Dodd's Report – Several members of the governing body attended an award ceremony for the NJ Future Smart Growth Award, the Town of Dover was one of eight recipients to receive an award. Mayor Dodd attended the Mayor's Wellness Campaign Cook-off. The cook-off was a good way to prevent Child Obesity. Mayor Dodd spoke with the Health Officer to develop initiatives to help promote healthy activities. The Bicycle Rodeo & the Rockaway Clean up will be held on July 23rd. Mayor Dodd thanked the Memorial Association for the great Memorial Day Parade. There were several meetings regarding negotiations with Briad and Woodmont Properties and proud to announce the town has entered into developer's agreement and designated them as redeveloper of those projects. A meeting was held with the Dover Park Plaza Board of Trustees regarding their garbage concerns and hope to have their concerns resolved shortly, an update will be provided. The hours at Town Hall have been extended for the second Tuesday of every month. Tonight is the first night for extended hours at town hall. The Mayor's 2nd Annual Fishing Derby was held which had a great turnout. Mayor Dodd thanked Alderman Timpani and other members of the committee for a phenomenal job. Trophies will be handed out to the children who participated in the fishing derby at the next town meeting. PBA must remove the soda machines at Crescent Field Park because it's an eye sore to the town.

ALDERMEN/COMMITTEE REPORTS –

Alderman Fahy – Alderman Fahy attended the Mayor's Fishing Derby, Memorial Day Parade and the Recreation Committee Meeting. The recreation's 2007 brochure is available and has been distributed. The brochure was printed by students of the Dover High School. The recreation dept. has several trips available to the public and the summer program sign-ups have started. The recreation board has approved the Crescent Field fees and policies for the new turf field. Maintenance will be performed throughout the parks. No smoking signs, permit only signs will be installed around the parks. The roof at the pavilion and restrooms will be repaired. Alderman Fahy received concerns about trees and the DPW supervisor will follow up.

Alderman Picciallo – Alderman Picciallo attended the Memorial Day Parade, Dover High School Scholarship Award Ceremony, Mayor's Cook-off, Smart Growth Award Ceremony and assisted with the Mayor Fishing Derby. On June 10th attended the Greek Festival with Alderman Poolas and Mayor Dodd. In the last three weeks Alderman Picciallo has addressed many signs and code enforcement issues in town. Residents are taking pride in their local ward, complaints are coming in via e-mail and telephone, and resident appreciate the response from their Aldermen.

Alderman Poolas – Alderman Poolas attended the Mayor's Cook-off, Smart Growth Award Ceremony, Greek Festival and the Mayor's Fishing Derby. The street signs in Dover will soon be uniformed throughout town. The cement planners in front of Golden Coin Restaurant and the bank have become an eye sore and should be removed. The barrel cones at intersection of W. Clinton Street & Warren St. have been there since the flood which probably belong to the State and should be removed because they have been run down numerous times and are flat. There's a dead tree that should be removed immediately because it almost caused an accident due

to falling branches. DPW removed the tree branch which blocked the entire lane. Alderman Poolas and Alderman Picciallo have been meeting with the seniors every Wednesday night. Fireworks will be held on July 3rd and the Dover Memorial Associations will be selling 3-D glasses to view the fireworks. Alderman Poolas thanked everyone that was involved in the Memorial Day Parade. There was a resident complaint regarding the police dept. and inspector. She was unhappy with the way the police dept. and inspector approached her house however it was determined she had over a dozen cats living in her cellar which posed a health problem. The town needs to look into our health ordinance, for example, that when a resident doesn't receive a water bill, water is turned off or garbage is piled up it should be looked into for the safety of the resident maybe there's other conditions occurring. There's a recommendation from Jerry Hoffman of the Recreation Commission for funding to be provided in next year's budget to purchase a small gazebo for the park. Alderman Timpani and DPW put many man hours in cleaning up the park. Maybe we should change the name to Canal Park instead of Randolph Park.

Alderman Ryan – Alderman Ryan attended the police committee meeting and the items discussed were the new hires, promotions and status of negotiations. Administrator Garvin will make a recommendation regarding the new hire. A bike rodeo scheduled for June 23rd. The Cushman is in the possession of the town and is ready to be used. Slow down signs are available. Also, attended a meeting on Sunday, June 3rd at the United Methodist Church in attendance were representatives from the state advocacy office, college professors and an audience of 70-100 people. The meeting discussed topics on immigration, the laws and peoples rights.

Alderman Donofrio – Alderman Donofrio attended the Board of Health meeting and there was discussion regarding expired prescriptions and the proper way to dispose of them. The State will be issuing new inspection guidelines and training courses for food handlers due to new procedures.

Alderman Timpani – No report

Alderman Delaney – Alderman Delaney attended the Mayor's Fishing Derby, Mayor's Cook-off in Parsippany, the award ceremony in Newark and the Memorial Day Parade. Alderman Delaney presented two recipients from the Dover Schools with scholarships which were donated by the Mayor to the school. This is the last chance for the Aldermen to sign up for Project Graduation. The Bike Safety Program will be held June 23rd at Crescent Field. There will be gift certificates for bicycle helmets, a skill section will be set-up, gifts and prizes will be available as well as food and drinks.

Alderman Visioli – Thanked the volunteers, mayor & board for their efforts throughout town. DPW and Dover Water commission organizational chart is under review. Housing inspections continue with inspection and the volunteers give him a heads up when something is not right in their neighborhood. Complaints from the residents are forward to the administrator and then directed to the correct department.

Attorney Pennella's Report – The county board of taxation had a hearing on tax appeals. All cases were settled except for two which are affirmed. The settlements have been carried over till the next meeting since the town doesn't have an assessor to sign off of the cases. Azul Taxi which is not licensed with the town has filed suit against the town of Dover for the second time in federal court. They also requested temporary restraints with regards to tickets that were issued for operating in the town of Dover. Federal court judge denied their application for the temporary restraints.
