

## **HALLOWEEN ACTIVITIES MOVED TO FRIDAY, NOVEMBER 4<sup>TH</sup>**

**The Town of Dover was hit very hard by the weekend snow storm. We have power lines, branches and trees down throughout the community. Snow is piled on the roadside and many sidewalks are still in the process of being cleared. As evening arrives, potential icing conditions will add to the dangers associated with Halloween activities. Therefore, we advise all parents to keep their children inside tonight to minimize safety risks for their children as well as themselves.**

**HALLOWEEN CELEBRATIONS WILL BE MOVED TO  
FRIDAY, NOVEMBER 4<sup>TH</sup>. We encourage all residents to  
celebrate Halloween on Friday so that our children will be  
allowed to trick-or-treat safely.**

**Thank you for your cooperation.**

**Mayor James P. Dodd  
TOWN OF DOVER**
