TOWN OF DOVER

Anti-Bullying Policy

Bullying is when one or more people exclude, tease, taunt, gossip, hit, kick, or put down another person with the intent to hurt another. Bullying happens when a person or group of people want to have power over another and use their power to get their way, at the expense of someone else. Bullying can also happen through cyberspace: through the use of e-mails, text messaging, instant messaging, and other less direct methods. This type of bullying can also lead to persons being hurt during or between the camp seasons and be especially hurtful when persons are targeted with meanness and exclusion.

At The Dover Recreation Summer Program, bullying is inexcusable, and we have a firm policy against all types of bullying. Our program philosophy is based on our mission statement which ensures that the children of Dover have the opportunity to enjoy a safe social, mental, and physical growth experience through a variety of activities and trips. We work together as a team to ensure that participants gain self-confidence, make new friends, and go home with great memories.

Unfortunately, persons who are bullied may not have the same potential to get the most out of their summer experience. Our policy is to address all incidents of bullying seriously and our staff shall promote communication with participants and parents so both so everyone attending may be comfortable alerting us to any problems during their summer program experience. Every person has the right to expect to have the best possible experience at camp, and by working together as a team to identify and manage bullying, we can help ensure that all children and staff have a great summer at the Dover Recreation Summer Program.

I have read the Town of Dover Summer Recreation Program Policy against bullying and will report any incidents to the Summer Program Director.

Dover Recreation Department Anti-Bullying Policy Acknowledgement and Agreement

This form must be returned with all signatures before participation is permitted.

A. Definition:
Bullying is unfair and one-sided. It occurs when someone keeps hurting, frightening or leaving someone out intentionally. Bullying always involves an imbalance of power that is not necessarily based on physical size.

B. Reporting:
All Coaches, counselors, employees, parents, volunteers, staff members and program participants associated with the Town of Dover Recreation Department and its programs have an obligation to immediately report all acts of bullying to the person in charge of the event or activity. The report can be an oral one.

C. Investigation:
All reports of bullying will be taken seriously and immediately investigated. Parents will be informed as to the determination.

D. Consequences for Violation of Policy:
The Town of Dover Recreation Department has no tolerance for bullying. Program participants violating the Anti-Bullying Policy shall be subject to progressive disciplinary action. Any child removed from an activity/program for disciplinary reasons, forfeits any fees paid to the commission. Disciplinary action can include:

- Conference with Coach/Activity Leader
- Parental Conference
- Suspension from Activity/Program (ranges from "time out" to 10 days depending on severity of offense)
- Removal from Program in its entirety
- Law Enforcement involvement

*****This list is not intended to be all-inclusive*****

Participants making false reports shall be disciplined in the same manner as defined in section "D".

Appeals:
Any participant may appeal the decision of the coach/activity leader to the Recreation Department. The appeal must be in writing. Hearings are granted at the discretion of the Recreation Director. All decisions of the Director are final.

Acknowledgment, Release and Agreement:
By signing this form, parents and participants acknowledge their understanding of this agreement and their willingness to remain compliant with the anti-bullying policy. Signatures further indicate that the parties understand that removal from any Dover Recreation Program for a violation of this policy will result in a forfeiture of all funds paid for participation. Program participants and their parents/guardians agree to hold harmless the Town of Dover Recreation Department, its employees, volunteers, and Town of Dover employees and elected officials from any and all liability arising under this policy.
