

ALERT Dover

Morris County has moved to a new emergency alert system called **Alert Morris**. In our town, it is to be called **Alert Dover**.

With **Alert Dover**, you can receive emergency alerts by email, text, phone, or whatever method of communication you prefer.

Sign Up for free at www.dover.nj.us

If you were a member of the County's old notification system, *Everbridge*, your information was forwarded to **Alert Dover**. But we ask that you register again, so we are sure to have captured everyone in the new system.

Alerts on Social Media

Morris County's social media alert accounts on Facebook and Twitter, @MCUrgent, also have changed their names to @**AlertMorris**. Get updates from OEM and multi-jurisdictional emergency alerts through your favorite social media platform!

If you have already signed up for @MCUrgent, there's nothing to do – you'll see @**AlertMorris** in your Twitter and Facebook feeds. Otherwise, follow @**AlertMorris** today!

Also, Smart911

Alert Dover also automatically signs you up for **Smart911** which provides you and your family with potentially life-saving **Smart911**, which is an important and free emergency 9-1-1 call component for those jurisdictions (including Morris County) whose 9-1-1 center utilizes this product.
