AGENDA ITEMS:

ORDINANCE(S) FOR INTRODUCTION

1. Ordinance #33-2008 Salary Ordinance for FMBA

Mayor Dodd explained that the above ordinance is authorization of the agreement between the Town and Local 60 FMBA. He explained that it was a long negotiation period (2yrs). Through some very difficult negotiation, Mayor Dodd feels that it's a win-win for both parties. Mayor Dodd commended Alderman Delaney for chairing the committee. Mayor Dodd noted that we should recognize that many communities are going through difficult financial times and for many years life health benefits have been a perk that town employees have received. However, in this contract it eliminates life time health benefits for new hires. Mayor Dodd believes it's a mile stone that the Town of Dover is trying to achieve in saving taxpayers money in addition to other items that were negotiated.

Alderman Delaney explained that it's a contract that has been in the works for the last 2 years, a lot of meetings back and forth. Alderman Delaney is very pleased with the contract and he feels it's fair all the way around for both sides and he hopes the board considers approving it tonight.

ORDINANCE(S) FOR SECOND READING

1. Ordinance #32-2008 Creating the Position of Municipal Department Head

Alderman Visioli explained that the ordinance is to create a position of Municipal Department Head. As we all know we have hired an individual and the personnel committee believes that this individual is highly qualified to be part of the “merger team,” to merge DPW and DWC and he’s looking forward to great things for him.

Alderman Donofrio wanted some clarification on the status of the certifications (Water Licenses) held by the employee hired for this position. Mayor Dodd explained that the new hire does not hold a certification but he’s willing to obtain one. Mayor Dodd expressed that the Personnel Committee felt that it wasn’t necessary to hold that certification since someone on staff currently has the certification. Alderman Donofrio noted that he would personally feel more at ease if the position incorporated the possession of those two licenses. Alderman Donofrio is prepared to vote in the affirmative for the candidate but he would like some sort of timeline when those licenses would be in his possession. Alderman Visioli expressed that those particular licenses are not a requirement for the managerial position since there’s a secondary back-up and an employee is doing that particular function as of now.

Attorney Pennella and Clerk Verga explained the limitations were set on the number of cabs a company can have. Alderman Timpani wanted to know how taxi and limos are identified. Attorney Pennella explained that limos and taxis have different registrations that distinguish the two.

REGULAR MEETING MINUTES
November 10, 2008

The Regular Meeting of the Mayor and Board of Aldermen was held in council chambers, 37 N. Sussex Street, Dover, New Jersey.

The meeting was called to order by Mayor Dodd at 7:18pm

ROLL CALL

Present: Aldermen Delaney, Poolas, Visioli, Donofrio, Picciallo, Timpani, Romaine and Mayor Dodd

Absent: Alderman Fahy

Also present were Attorney Pennella and Clerk Verga

Clerk Verga stated adequate notice was given to the official newspaper.

Mayor Dodd opened this portion of the meeting to the public for agenda items only, seeing no hands and hearing no voices he then closed this portion of the meeting.

Mayor Dodd's Report – Mayor Dodd noted that they've been holding several meetings to discuss the town's financial position for 2009 and expressed that it doesn't look good; funding has been scarce from the state. In 2008, it was extremely difficult were the town took a 19 point increase and had the ability to reduce it to 11 points but he's not to sure it can be done again. The town will try to come up with some creative financing to ease the burden on the taxpayers.

He's glad to say that an agreement has been reached with FMBA Local 60 and believes it's a win-win for both parties. Mayor Dodd and Alderman Poolas attended a ribbon cutting ceremony for Morristown Federal Credit Union; he commended and congratulated them for coming to Dover. Mayor Dodd congratulated Dover Renaissance for the 17th Annual 5K Run.

Mayor Dodd expressed that they have been holding parking committee meetings and they've been looking at ways to generate revenues for 2009. He feels that the parking utility has been neglected in the past and it should be a state of the art utility. Dover is a commuter friendly town and the parking utility should really be looked into. In 2009, the town will implement the Kiosk system in the town's public parking lots, based on a first come-first serve premise. Parking permits will no longer be issued however some locations will (resident parking) require decal permits. The Kiosk is a user friendly system for example, if you're in NY and need to add additional time you can call in and add more time.

The town is also looking into shared services with other communities, currently the court merger is in progress. Mayor Dodd met with Judge Bozonelis and he provided a verbal approval to move forward with the court shared services plan. There are some obstacles that need to be worked out and the next meeting is scheduled for Wednesday which the Mayor hopes to have a signed agreement.

ALDERMEN/COMMITTEE REPORTS –

Alderman Fahy – Absent

Alderman Picciallo – Alderman Picciallo attended a Memorial Association meeting to discuss future plans for the parade. Alderman Picciallo and Alderman Poolas provided the seniors at Millpond Towers with a Halloween Party. Alderman Poolas, Connie Foster, Kay Walker responded to his e-mail and advised him of all the patriotic events that take place throughout the year. The Memorial Association has set-up a display in the foyer honoring Veterans. The Memorial Association will hold a candle light vigil and prayer at Veteran's Path at Hurd Park. Alderman Poolas reminded the public to think about June 6, 2009 because it's the Fire Department 135th Anniversary Parade and everyone should get involved. Mayor Dodd commended Alderman Poolas for the Veteran's Display.

Alderman Donofrio – Alderman Donofrio attended the Chronic Disease and Value Based Benefit Design meeting held by

PUBLIC COMMENTS – Three Minutes per Person

Maria Tambini-6-16 E. Blackwell Street: Ms. Tambini wanted to know if there was any information in reference to the bikes that are tied to the trees. Clerk Verga explained that she's working with the Attorney Pennella since the police department does not have the right to cut (remove) a bike off a tree. Attorney Pennella noted that they will look into legislation that could be imposed and where we could go with it. He continued to explain that at the moment, the Chief's direction to the men is to issue a ticket if they see a person attaching the bike to the tree. The town has to provide the legal support to the Chief so he can give direction to his department to go to the next step. Mayor Dodd wanted to know if there could be an insert in the ordinance giving the police department the ability to remove the bike. Attorney Pennella noted that they'll look into it and Mayor Dodd noted that a response will be provided at the next town meeting. Ms. Tambini explained a situation she encountered with the police department. She called in to report a bike incident and feels that the police department (superior) gave her a hard time.
