(a) Members of the Police Department shall be permitted to accept police related employment for private employers or school district only during off-duty hours and at such time as will not interfere with the efficient performance of regularly scheduled or emergency duty for the Town.

(b) Any person or entity wishing to employ off-duty police shall first obtain the approval of the Chief of Police, which approval shall be granted if in the opinion of the Chief, such employment would not be inconsistent with the efficient functioning and good reputation of the Police Department, and would not unreasonably endanger or threaten the safety of the officer or officers who are to perform the work.
