Mayor Dodd attended several meeting which included the DPW-Water merge, redevelopment meeting which the Town has come to an agreement with Trammel Crow. The Mayor's Assistance Program is going well with the help of Connie Sibona-Foster. Some of the projects include lots on White Street, Rockaway River Clean-up and library projects continue. Town Hall continues with building improvements. The Woodmont Properties Project still has some items that need to be clarified.

ALDERMEN/COMMITTEE REPORTS –

Alderman Fahy – There haven't been any personnel issues or meetings. Alderman Fahy attended the Cinco de Mayo Festival and police were present enforcing the regulations and makings sure the organized activities were taking place on the field. Head Start was able to work with the Shade Tree Commission for the celebration of Arbor Day. The celebration consisted of planting a tree and all the children were able to receive seedlings. In regards to Trammell Crow, there wasn't much talk about the current plan for the businesses on Bassett Hwy. and the possibility of them being displaced.

Alderman Picciallo – On April 27th, Alderman Picciallo attended Head Start's Volunteer Appreciation Luncheon. He also attended the board meeting at the JJ Rich Senior Building and the building was not affected due to flooding. He and Aldermen Poolas conducted the first clean up on White Street.

He's working on the Rockaway River & White Street clean-up. He would like to commend Alderman Timpani for his work on the Rockaway River clean-up for the fishing derby. The Recreation Dept. held a trip to Boston which was well attended and very educational. The first ward complaints have been clarified which were regarding recyclables that were missed and questions regarding sub-division of properties.

There were discussions on promotion time line, status of two grievances, negotiations with the PBA and review of monthly police activities. There was one concern about the festival which was littering and requested the town assistance with that matter.

PUBLIC COMMENTS – Three Minutes per Person

Kay Walker - 72B East Blackwell Street - Commended the board for the work they have done on bringing Dover to a polish since it's been a diamond in the ruff. Ms. Walker attended the Boston Trip and kudos to Alice Gilbert for her hard work.

Maria Tambini - 10 E. Blackwell Street - Ms. Tambini is concern with dogs in the flea market and the danger they present to the public.

Connie Sibona-Foster - 90 Penn Avenue - Daily Record does not advertise the meetings for the board of alderman. The town clerk advised that it was done annually. Ms. Foster requested it be updated. Traveled to Europe and the rivers are the meeting point for the people and they are beautifull. DEP and EPA can take things to the far end.

Mike Chicchetti - 130 So. Salem Street – How do you get the Star Ledger from not throwing free newspapers on our lawn? Isn't that considered littering? Outlets/retail stores bring in people from out of state. How can we control 485 apartment units from turning into Second Street in Dover and the Hollow in Morristown?

Antonio Acosta – 130 Madison Street – On Blackwell Street the streets lights are out. About a year ago our house was attempted to be broken into and I would like everyone to remember that there still a lot of work that needs to be done. If we don't maintain our property we'll bring in an element that we just don't want. Mayor Dodd if you could look into the

following. Curbing was installed on our street, they dug into our property, and then they put top soil and seed and its not growing.

Motion made by Alderman Visioli Dodd to adjourn at 8:31 p.m., Seconded by Alderman Donofrio and passed by the following voice vote.

Ayes: Aldermen Fahy, Delaney, Poolas, Ryan, Visioli, Donofrio, Picciallo and Mayor Dodd
Nays: None Absent: Alderman Timpani Abstained: None

Respectfully submitted,

Margaret Verga, Municipal Clerk
